April 13, 2020

Hi Everyone,

April showers bring May flowers. We hope spring flowers bring a bit of beauty into your life. Please continue to keep you and your family safe and healthy.

Our first virtual water cooler for parents went so well we decided to open it to everyone, not just parents. No matter how many people are in your home, and where you go to work, this is an abnormal time. This week let’s talk about how we’re all dealing with work-life balance and anything else that comes up.
