Facilities Connected

Linking you to our team during the COVID-19 emergency.

April 17, 2020

Hi Everyone,

Good news, social distancing is helping manage the virus, keep up the good work! Be prepared to "hang in there," it may be awhile.

The Office of Religious Life is launching a Healing and Grieving Wall to provide a space for our Princeton community to acknowledge loss and remember life as the COVID-19 crisis continues to impact our families, work and circles of friends.

OIT will be performing maintenance on SharePoint starting Friday evening. No action is needed, but outages, shared documents, and anything else in SharePoint will be unavailable. Service should be restored by Monday.
