Facilities Connected

Linking you to our team during the COVID-19 emergency.

June 8, 2020

In case you haven't seen it, we share the statement from President Eisgruber on the Killing of George Floyd and the Importance of Confronting Racism. This statement was broadcast before the virtual commencement celebration this past weekend. We hope you and your family are safe.

In this issue, we're highlighting resources for learning. Remember it's important to take time for yourself and to keep learning new things, even if you have just 15 minutes to spare.

Our weekly virtual gathering is open to all Facilities staff. Drop-in and bring a coworker on Thursdays, 4 pm to 5 pm, you never know who will stop by. We look forward to seeing you on zoom.
