Facilities Connected

Linking you to our team during the COVID-19 emergency.

June 17, 2020

Connected is still here, however, we are shifting to one Wednesday newsletter each week due to fewer, new COVID resources to share. We will continue to bring you one mid-month Facilities Insider and you can always find previous Connected and Insider issues on the Insider's newsletter archive page.

Today we have valuable COVID workplace resources from Facilities and Environmental Health & Safety (EHS) and a heads up to a change in OIT's single-sign-on screen starting this weekend.

Our weekly virtual gathering is open to all Facilities staff. We will host two more this month and then take a break during the summer. Please drop-in and bring a coworker on Thursday, from 4 pm to 5 pm, you never know who will stop by.

Join us for a Facilities Virtual Water Cooler
Thursday, June 18 and 25, at 4:00 pm
